

TCEQ Rules and Non-Rule Projects Applicable to TGPC (7/8/26 - 10/13/26)

Project Number and Reason for Project	Title, Description, and Project Manager	Anticipated Proposal	Anticipated Adoption
<u>2026-001-293-OW</u> <i>State/Legislation</i>	Edwards Aquifer Annual Hearings: The Texas Water Code, Section 26.146, requires TCEQ to conduct annual public hearings to receive public comments on actions the commission should take to protect the Edwards Aquifer from pollution. These annual public hearings will cover the 30 TAC Chapter 213, which regulate development over the delineated contributing, recharge, and transition zones of the Edwards Aquifer. These annual public hearings assist the commission in its shared responsibility with local governments, such as cities, counties, and groundwater conservation districts, to protect the water quality of the aquifer. The public hearings will be held at the TCEQ San Antonio Regional Office on Tuesday, Oct. 20, 2026, and at the TCEQ Austin Central Office on Thursday, Oct. 22, 2026. <i>Project Manager: Monica Reyes</i>	N/A	N/A
2026-006-309-OW <i>State/Legislation</i>	Land Application of Produced Water: Amendment of 30 TAC Chapters 309 and Ch. 210 to implement SB 1145, which transferred permitting authority to TCEQ for land application of produced water. <i>Project Manager: Shannon Gibson</i>	4/30/26	11/4/26
